

Kushabhau Thakre University of Journalism and Mass Communication Alumni Association

“Connecting Minds. Shaping Media.”

The Kushabhau Thakre University of Journalism and Mass Communication Alumni Association (KTUJMAA) is an independent body established by the alumni, for the alumni, and of the alumni of Kushabhau Thakre University of Journalism and Mass Communication. The Association is dedicated to fostering lifelong engagement among graduates while strengthening professional, academic, and institutional linkages with the University.

With the university permission Alumni Association (KTUJMAA) was formally initiated. The Chhattisgarh Societies Registration Act, 1973 Registration No. 122202569771 on dated 08 October 2025. PAN no.: AAPAK7106F.

The Association has enrolled a total of 146 provisional members as of 31 December 2025, reflecting a steadily growing and engaged alumni community. A major milestone in the Association’s journey was the successful organization of its 1st Alumni Meet 2025, titled “Celebrating Memories, Connecting Futures,” held on Sunday, 21 September 2025. The event reaffirmed KTUJMAA’s commitment to strengthening alumni bonds, celebrating shared experiences, and building a dynamic, future-oriented professional network.

KTUJMAA: Vision & Mission

Vision

- To build a vibrant and influential alumni network that strengthens professional excellence, ethical media practices, and lifelong association among graduates of Kushabhau Thakre University of Journalism and Mass Communication.

Mission

- To connect alumni across media and communication sectors for knowledge sharing, mentorship, and collaborative growth.
- To support the University’s academic mission by contributing expertise, opportunities, and resources that empower future media professionals and uphold democratic and social values.

Aims & Objectives

1. To facilitate information exchange and professional networking of KTUJM alumni of different batches/ departments based in different cities/ states/ countries
2. To introduce awards to recognise alumni who excel in mass communication/ media sector
3. To serve mass communication/ media industry's demands for human and intellectual resources
4. To represent alumni on any public/ private forum
5. To organize seminars, workshops, and training programs focused on mass media, communication, journalism, and related disciplines.
6. To undertake research projects, consultancy assignments, public relations initiatives, and extension activities in the fields of media and communication.
